Reviews

These sorts of ebook is the best publication accessible. It is amongst the most amazing ebook i actually have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Jace Gusikowski IV)

LIBERAL INTERNATIONALISM: THE INTERWAR MOVEMENT FOR PEACE IN BRITAIN (RETHINKING PEACE AND CONFLICT STUDIES)

Palgrave Macmillan. Hardcover. Book Condition: New. Hardcover. 224 pages. Concepts and policies deriving from political and social movements in support of liberal nationalism are hotly debated today. Civil society has actively engaged in controversies over intervention in Kosovo, Sierra Leone, Afghanistan, Iraq and the Lebanon. Pugh investigates the role of popular liberal internationalism as a social movement in Britain, addressing the use of force for peace through an examination of the impact of civil society actors in between wars. The interwar social movements had a massive and lasting influence on British approaches to international politics and influenced the UNs approach to peacekeeping, use of force and peace-building. This book considers social movements for peace and security which probe below the level of state policies. Using Gramscian and Foucauldian ideas of civil society and society, it critically examines the factions and fluidities of a movement that was suffused with values at once humane and superior, tolerant and dogmatic, universalistic and imperial. Pugh explores one of the most powerful social movements for collective security in modern history, a movement which trespassed conventional political boundaries and provided innovative ideas for constructing peace through collective security. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
