Abdul Bosun is a Nigerian born poet born, who, as a freelance poet has had work published in many Nigerian newspapers as well as in a collection of poems under the title Riddles of Sage. His play Gong of Nemesis is set in rural Nigeria and is a story of village life and the influence of ancient traditions. It can be seen as a metaphor for many of the corrupt practices of life in present day Africa and the world as a whole. Gong of Nemesis is an entertaining and often humorous play with a strong moral undertone that will enlighten and delight the reader, especially those who recognise the characters from their own life experiences.
