DeBolsillo, 2004. soft. Book Condition: New. Ramonet expone de manera contundente las preguntas clave que debemos hacernos en el inicio de este siglo XXI. En *Guerras del siglo XXI*, Ignacio Ramonet expone de manera contundente las preguntas clave que debemos hacernos en el inicio de este siglo XXI y presenta un retrato del nuevo mundo tras los atentados del 11 de septiembre, la ofensiva de Estados Unidos contra el terrorismo internacional, el recrudecimiento del conflicto israelí-palestino en Oriente Próximo y el ascenso de la ultraderecha en el paisaje electoral europeo. Este nuevo orden mundial viene condicionado por otro fenómeno central, la globalización, cuyos protagonistas no son en esta ocasión estados colonizadores, sino empresas y multinacionales privadas dispuestas a dominar el planeta invadiendo mercados en lugar de países. Esta mercantilización del mundo se traduce en un formidable agravamiento de las desigualdades y en una destrucción impresionante de la naturaleza, a la cual se saquea para extraer beneficios. Ante los efectos de dicha globalización y los nuevos miedos y amenazas, los ciudadanos reclaman nuevos derechos colectivos que incluyen la preservación de la naturaleza y un medio ambiente no contaminado, una ciudad humana, una información no manipulada, y la paz y el desarrollo de los pueblos. Las sociedades civiles deben reclamar su protagonismo en las grandes negociaciones internacionales. Para cambiar este mundo hay que soñar un futuro diferente. Esta edición está actualizada con un nuevo capítulo.
