BEHIND THE MOVING IMAGES (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Behind the Moving Images is a journey to tinsel town to explore the life of those who became stars and those who struggle to find some space for them with a dream to twinkle in the sky of Glamour one day. Film is a dream, film is music. No art passes our conscience in the way film does and goes directly to our feelings, deep down in to the dark rooms of our souls - thus sums up the fascinating world of cinema by Ingmar Bergman, the great film maker. No other media has been able to catch the imagination of all hues, of millions across the globe year after year. The thrills and triumphs, the trials and tribulations, the good and sleaze-only cinema can reflect human sensitivity in Toto and yet remain open to all kinds of censures. In all the glitter that separates cinema from the world outside, one prominent factor that remains in the public realm is the life of those who work in front of and behind the camera. More so the stars and the film maker present us on a platter lot of grey matter with which many of us compare our own lives. One moment film walas are praised and the next day they are ridiculed.but they accept these bouquets and brick- bats with characteristic elan and their band lives on. Behind the moving Images attempts to take a realistic yet measured peep in to the lives of stars and their makers and tell us vividly, how darkness overpowers them once the arcs are faded away, albeit unknown to the outside world most of the times.
