But when tragedy strikes, leaving her parentless, this normal teenage girl is forced into the reality of life's cruelty. Who can she trust when all the adults around her seem to have ulterior motives? In the midst of her father's apparent kidnapping and mother's defection, Taylor finds herself eluding a case worker who wants to put her in the state's custody, and cops that appear to be on the wrong side of the law. As she stubbornly attempts to solve the case of her father's disappearance, she realizes she can't possibly accomplish her goal alone, and partners with canine cop, Cole, a trusted colleague of her father's. As she races against time to find her father alive, Taylor discovers a love so deep it's able to unite two broken souls to make them whole again, and loss so excruciating it threatens to shatter her very soul. But will love and determination be enough to save her father?.
