PENTACLES (PAPERBACK)

Leadstart Publishing Pvt Ltd, India, 2010. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Pentacles comprises one long story and four short poems by Sabarna Roy. The work delightfully bridges the gap between the mundane and arcane writings of today and provides an interesting, yet intellectually stimulating, treat for the discerning reader. New Life is a long story written from the perspective of a successful adult whose mother had deserted the family for another man. The teenage angst and the scars it has left behind on the psyche of the protagonist are subtly reflected in the character. The different elements and characters of the story are beautifully interwoven to produce an intense and compelling story of an adult haunted by the trauma of being deserted by his mother. The work is interspersed with thought-provoking views on issues like love and socio-economic conditions in India. The traditional rhyme and metre dominated poems are on love, loss and longing. Unshackled by the bonds of rhyme and metre, Sabarna s free verses evoke the stark reality of urban life, hitting you straight in the guts. The use of everyday urban imagery adds to the appeal of the compositions. The concrete prison of urban life and the unfulfilled desire to escape to a simple life is aptly brought out in The Tower. The other poems of the collection are more biographical in nature with the protagonist being the member of the fairer sex. The free verses sketch out their life story with its attendant pathos, poignancy and logic. The best part of all the compositions is that the reader will definitely identify with the poet and will, in one form or other, have similar stories to narrate.
