

## Worship Comes to Its Senses (Paperback)

By Don E. Saliers

What makes Christian worship both true and relevant to ever-changing human circumstances? How can our gathering about the Scriptures, the Table of the Lord, and the waters of baptism shape and express authentic Christian faith in the world of everyday life? In this book, Don Saliers finds a fresh way of answering these questions by exploring four senses of God: awe, delight, truth, and hope. Why are wonderment, surprise, truthfulness, and expectancy so often missing or diminished in Christian liturgy today, whether Protestant or Roman Catholic, high church or low church, traditional or contemporary ? These are essential qualities of both worship and life. Saliers contends that we are still restless for communion with God, and suggests how these essentials may be rediscovered by every worshipping congregation. At stake are the means of grace received from Christ, attested to in the Scriptures and shown in every faithful worshipping assembly.
