Overview of Bombed in His Bed: The Confessions of Jewish Gangster Myer Rush It is truly one of the most powerful stories being produced during this time or any time: it is a sweeping epic, taking in the depression, the immigrant experience, the origins of the mobster world many of the colorful characters of the period herein describing a man that wanted to use whatever talents he had to never be poor. It has elements of Dickens, Damon Runyon, Dashell Hammett, and is reminiscent a little of Bonnie And Clyde, The Sting, The Godfather, Goodfellas, and even has elements of Tom Sawyer or Huckleberry Finn, as Myer meets the lad from Hattiesberg Mississippi, Rusty Stokes. It covers the War time period, the 50 s when the world was just starting to accelerate after the War Years, then the Go Go 60 s, when Myer came of age and created enormous wealth and suffered the depths of total destruction. Then on to the 70 s where he sat in prison wrongfully accused, until he meets his earnest journalist nephew, and they both discover a great deal about themselves during this talk, which begins with Bruce a bit in awe of his uncle and matures into a probing, searching, exploration into the man that is his uncle a man he did not fear, but whose name created so much fear. The story becomes incredibly wise as it evolves, such that the reviewer of the book is correct when she says that there are themes of crime and redemption in the life of this complicated gangster . Bombed in His Bed: The Confessions of Jewish Gangster Myer Rush. This amazing life story...
