We complete emergency consultation on fire operations only after the risk to human life or improved property has subsided. The Regional Director for the FWS has made good on his commitment to protect listed species without placing people in harms way. When threatened and endangered species are involved for fuels reduction work, the FWS has made consultation a priority. Conclusion In closing, we will continue to address the health of the forests and rangelands in the Southwestern Region during this period of severe drought. To be successful, we must continue to work with all who have a stake in the management of the national forests and grasslands. I believe restoring forest and rangeland health is especially important for many of our rural communities - to help protect them and to provide jobs. This concludes my prepared remarks. I will be happy to answer any questions you may have. ALDEN Mr. W. Thank you very much, Mr. Forsgren. Now I would like...
