## A NEW PHILOSOPHY: HENRI BERGSON

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 150 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. This little book is due to two articles published under the same title in the *Revue des Deux Mondes*, 1st and 15th February 1912. Their object was to present Mr Bergsons philosophy to the public at large, giving as short a sketch as possible, and describing, without too minute details, the general trend of his movement. These articles I have here reprinted intact. But I have added, in the form of continuous notes, some additional explanations on points which did not come within the scope of investigation in the original sketch. I need hardly add that my work, though thus far complete, does not in any way claim to be a profound critical study. Indeed, such a study, dealing with a thinker who has not yet said his last word, would today be premature. I have simply aimed at writing an introduction which will make it easier to read and understand Mr Bergsons works, and serve as a preliminary guide to those who desire initiation in the new philosophy. I have therefore firmly waived all the paraphernalia of technical discussions, and have made no comparisons, learned or otherwise, between Mr Bergsons teaching and that of older philosophies. I can conceive no better method of misunderstanding the point at issue, I mean the simple unity of productive intuition, than that of pigeon-holing names of systems, collecting instances of resemblance, making up analogies, and specifying ingredients. An original philosophy is not meant to be studied as a mosaic which takes to pieces, a compound which analyses, or a body which dissects. On the contrary, it is by considering it as a living act, not as a rather clever discourse, by...
