DESCRIPTION REVIEW - by 3rd Business Magazine: Connect to Authentic Success is by Amanda Steadman who is a speaker, author, trainer and serial entrepreneur. This book is what it asks us to be: focussed. It provides a clear and concise path for us to follow if we want to achieve success. Amanda is not in the least prescriptive about what success might mean; she leaves us to work it out for ourselves. However she is clear that that for her, working out how to be doing something you love and having time left over for the people who are important to us, is what she wants to achieve for herself. The book sets out clearly how we can go about being successful but it is not all about process. It is also about using our emotions intelligently, in the process. The book's claim is to: Learn how you can get what you want using easy, proven and tested success strategies you can implement instantly! It is not just about...

Reviews

This composed ebook is wonderful. It really is written in basic words rather than hard to understand. You may like the way the writer composes this pdf.

This book can be well worth a go through, and a lot better than other. It is written in simple words and phrases and not confusing. It's been printed in an exceptionally simple way in fact it is merely right after I finished reading through this pdf by which basically changed me, modified the way I think.
