

Additional Remarks on the Currency of the United States (Classic Reprint) (Paperback)

By Publius Publius

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Additional Remarks on the Currency of the United States The object of the author in his previous remarks on the currency was not only to endeavor to elicit truth, and establish facts, upon a very important subject of general interest; but also to direct public attention to a consideration of the impolicy of existing measures, and of the only substitute deemed competent to remedy present evils and provide future security. In furtherance of these views, Publius requested as a favor, from one well skilled in all the practical operations of our system of currency, although friendly to the administration, that he would state with frankness and freedom any objections he might entertain to the positions and to the reasonings of the author. The following therefore, in the shape of marginal notes, are remarks on some of the reasonings and opinions of Publius, and for which he is alike indebted to the commentator for his trouble and his candor, although the author of the notes does not wish them to be considered as arguments against the...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
-- Natalie Abbott

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
-- Rene Olson
