Vowing to protect her had nothing to do with feelings. Detective Pete Crane catches a new shooting case and considers it business-as-usual. But when the lead witness is the Chief of Police's fiery assistant, he never anticipated she'd challenge him personally and professionally. Especially while under his protection. Little do they know, the shooting she and her grandmother witnessed was anything but random. Thrown together, their attraction sizzles, even though she's squarely in the no-fly zone. She makes him break every rule in his little black book. Nikki Harper has been attracted to Pete since they met two years ago. Witnessing a brutal shooting throws her into a stigma that's always been her greatest fear-a victim. She has no choice but to accept his protective custody and let him help save her and her beloved grandmother. Can Pete protect his witness and solve the case, while fighting the intense heat with Nikki?.
