MAINE: ITS HISTORY, RESOURCES, AND GOVERNMENT (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Maine: Its History, Resources, and Government In the preparation of this book for use as a text in the upper grammar grades and the high school, an attempt has been made at all times to keep clearly in mind one definite purpose - the presentation in as concise and readable a manner as possible of a general view of the historical and industrial development of Maine in the form of a connected story, without branching out from the main thoroughfare into innumerable byways of detail. Omissions have been made, and made purposely, of many...
